

Installation instructions

There are several ways to install extension:

1. If you've bought the product at Magento's Marketplace - use [Marketplace installation instructions](#)
2. Otherwise, you have two options:
 - Install the sources directly from [our repository](#). - **recommended**
 - Download archive and use [manual installation](#)

After installing the extension you can go to:

- [Create a New Facebook App](#)
- [Configuration](#)
- [Support](#)
- [Forum](#)
