Review Reminder installation instructions

Please follow next steps to complete the installation:

1. Unpack extension archive into `<magento_root>/app/code .`
2. Run the following commands in terminal:

```
cd <magento_root>
bin/magento module:enable Swissup_Core Swissup_SubscriptionChecker Swissup_Reviewreminder
bin/magento setup:upgrade
```

3. Navigate to [Stores](#) > [Configuration](#) > [Swissup](#) > [Review Reminder](#) and enable extension for any store you need.

That's all. Now you can generate reminders for orders created before extension was installed, more info in [Manual Order Indexing Section \(/m2/extensions/reviewreminder/#manual-order-indexing-section\)](#)
