

Enable Trusted Company Review Collection with Magento

Install and configure the Trusted Company Magento Plugin to automatically collect customer feedback and grow your company's online reputation.

Log in to your Trusted Company dashboard at <http://business.trustedcompany.com/>. Follow the instruction on <https://help.trustedcompany.com/hc/en-us/articles/212061246-STEP-2-Automatic-Customer-Feedback-ACF-> to get your unique API key **abcdefghijklmnop1234567**. Using this key, perform the following steps on your Magento administration console:

Install from the Magento Extension Marketplace

Follow these four steps:

The screenshot displays the Magento Connect Manager interface. At the top, the logo reads "Magentoconnect MANAGER". Below the logo are two tabs: "Extensions" and "Settings". In the top right corner, there are links for "Return to Admin" and "Log Out".

The "Settings" section is active and contains the following options:

- Put store on the maintenance mode while installing/upgrading/backup creation
- Create Backup Database

The "Install New Extensions" section contains the following steps:

- 1 Search for modules via [Magento Connect](#).
- 2 Paste extension key to install: **Install**

The "Direct package file upload" section contains the following steps:

- 1 Download or build package file.
- 2 Upload package file: TrustedCompanyReviews-1.0.1.tgz **Upload**

The "Manage Existing Extensions" section is at the bottom and includes a **Check for Upgrades** button.
