

# Yahoo! Japan Conversion tracking & access analytics for Magento2 configuration guide

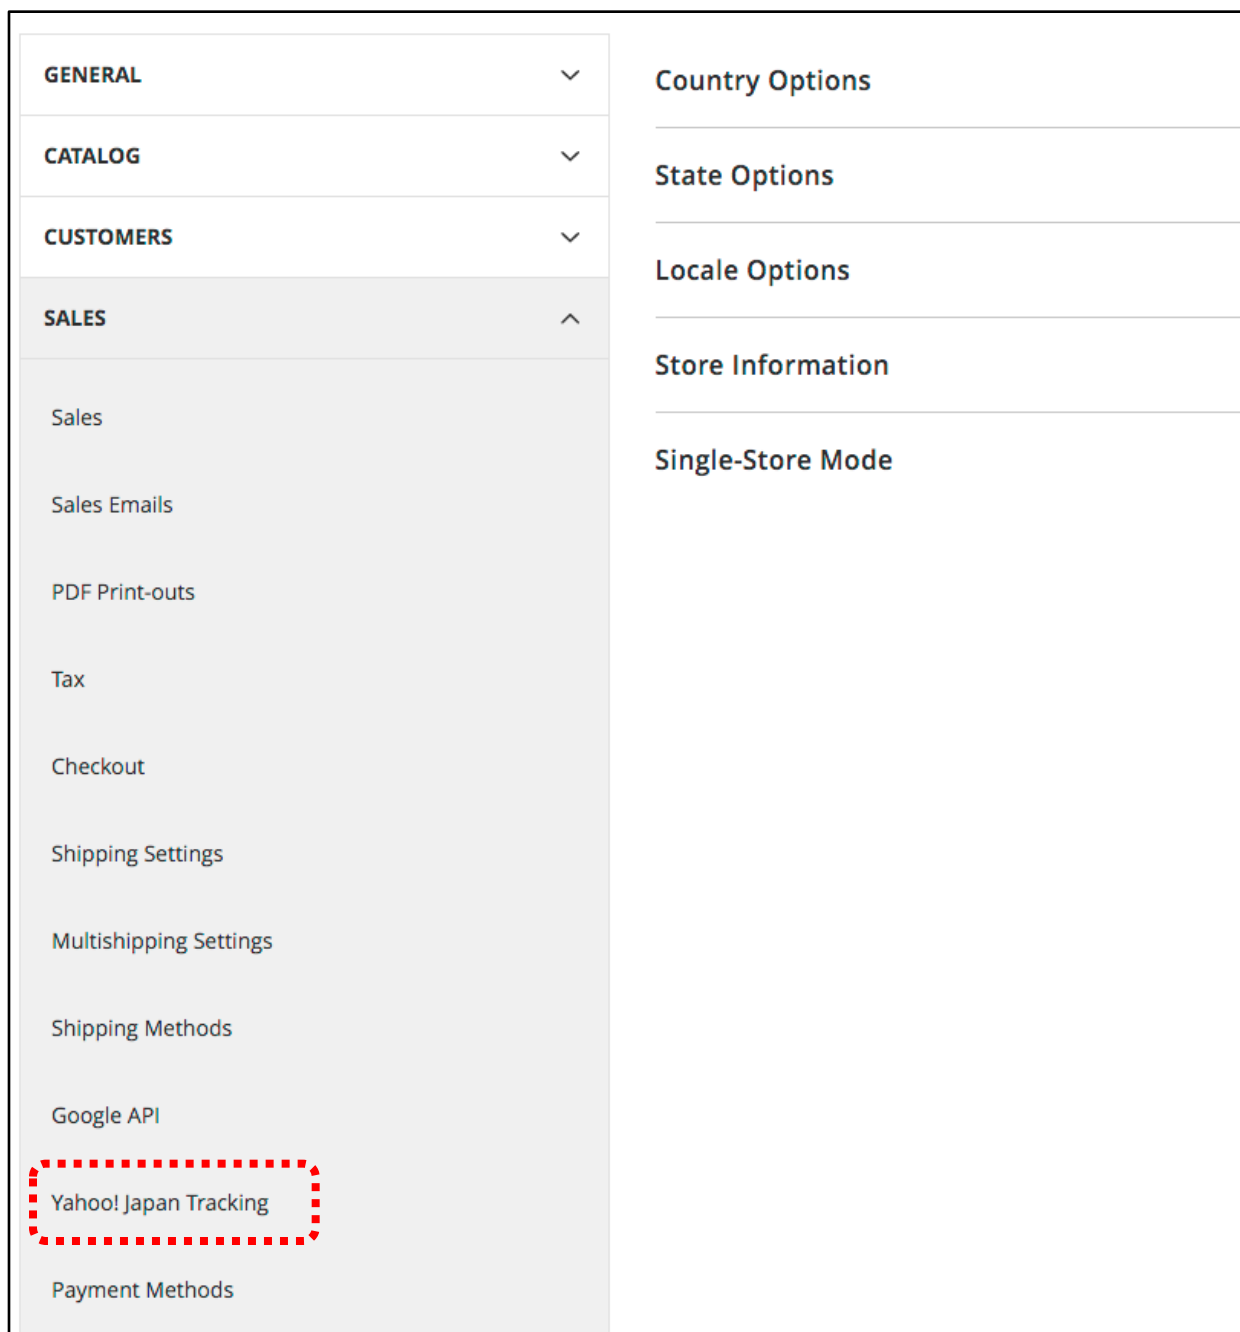

# How to configure

## Access configuration

# How to configure

## Choose “Yahoo! Japan Tracking”

The image shows a configuration interface with a left-hand navigation menu and a right-hand content area. The left menu is expanded to the 'SALES' category, which is highlighted in grey. Under 'SALES', several options are listed: Sales, Sales Emails, PDF Print-outs, Tax, Checkout, Shipping Settings, Multishipping Settings, Shipping Methods, Google API, Yahoo! Japan Tracking, and Payment Methods. The 'Yahoo! Japan Tracking' option is enclosed in a red dashed rectangular box. The right-hand content area contains several sections: Country Options, State Options, Locale Options, Store Information, and Single-Store Mode, each separated by a horizontal line.

<b>GENERAL</b> ▾	Country Options
<b>CATALOG</b> ▾	State Options
