OVERVIEW

Giving away free Gifts is a marketing strategy many small businesses use to attract attention and find new customers. For that reason Free Gift extension is made for allowing website (based on Magento 2.x)'s owner to create and manage the promotional items — toys, collectables, souvenirs and household products — that are linked to a product

Outstanding Features

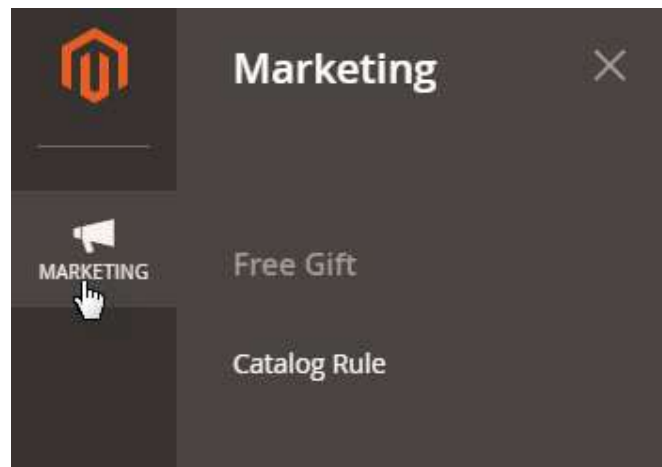

- *Quick and easy in installation.*
- *User friendly interface.*
- *Three types of free gift option: Single free gift, Multiple free gift and Fixed free gift.*
- *Admin can manage the promotional items by rule.*
- *Quick search tool for finding the promotional items among catalogs.*

HOW TO USE

I. From Admin Panel

1. Adding free gift for one or several specific product

After installing Free Gift Extension on your magento website, in Admin panel, you will see this new menu inside Marketing tab on side-bar:

Click to Catalog Rule for managing free gift rule:

Manage Catalog Rules

Here you can see all free gift rules. Click to a rule to see how it working

[Add New Rule](#)

Search [Reset Filter](#) 3 records found 20 per page 1 of 1

ID	Rule	Start	End	Status	Web Site
2	Buy one get Two free	From To	From To	Active	Main Website
1	Free a Soft Toy for product price greater than \$70	From To	From To	Active	Main Website
3	Free gift when buy any products from Men category	From To	From To	Active	Main Website

To add free gifts to one or several product, you will need to create a new free gift rule, click to Add New Rule button in the top-right.

A page will be shown for you can create the free gift rule, this page is divided into 3 field sets:

a) Rule information

In this field set you will set all the general information about the rule including: Rule name, Description, Rule status, Website to apply, Customer group to apply, time applying and priority.

The screenshot shows the 'Rule Information' form in the Magento 2.0 Free Gift Extension. The form is titled 'Buy one get Two free' and includes a navigation bar with 'Back', 'Delete Rule', 'Reset', 'Save and Continue Edit', and a 'Save' button. A red circle with the number '1' highlights the 'Rule Information' section. A red text box with a white border contains the text: 'You can set all general information of the rule in this field set.' The form fields are as follows:

- Rule Name ***: Buy one get Two free
- Description**: (Empty text area)
- Status**: Active (Dropdown menu)
- Websites ***: Main Website (Dropdown menu with a question mark icon)
- Customer Groups ***: NOT LOGGED IN, General, Wholesale, Retailer (Dropdown menu)
- From**: (Empty date field with a calendar icon)
- To**: (Empty date field with a calendar icon)
- Priority**: 20

Below the 'Priority' field, there is a small text box that reads: 'If multiple rules are applied for one product, this field will be used to sort rules and get the first reached rule only.'

b) Condition

Here is the place for you set in which product to be applied this free gift rule. If you want this rule is applied for all product, just leave this fields set blank.

There're many product attributes are supported for adding condition, you can choose Condition Combination option for setting multi condition be applied together.
