

# Membership Extension For Magento 2.0

## INSTALLATION GUIDE

**Product version: 1.0.x**

**Compatibility: CE 2.0.x, EE 2.0.x**  
**Website: <http://www.vnecoms.com>**  
**Support: [support@vnecoms.com](mailto:support@vnecoms.com)**

## I. Installation

Your Magento 2 Membership extensions can be installed in a few minutes by going through these following steps

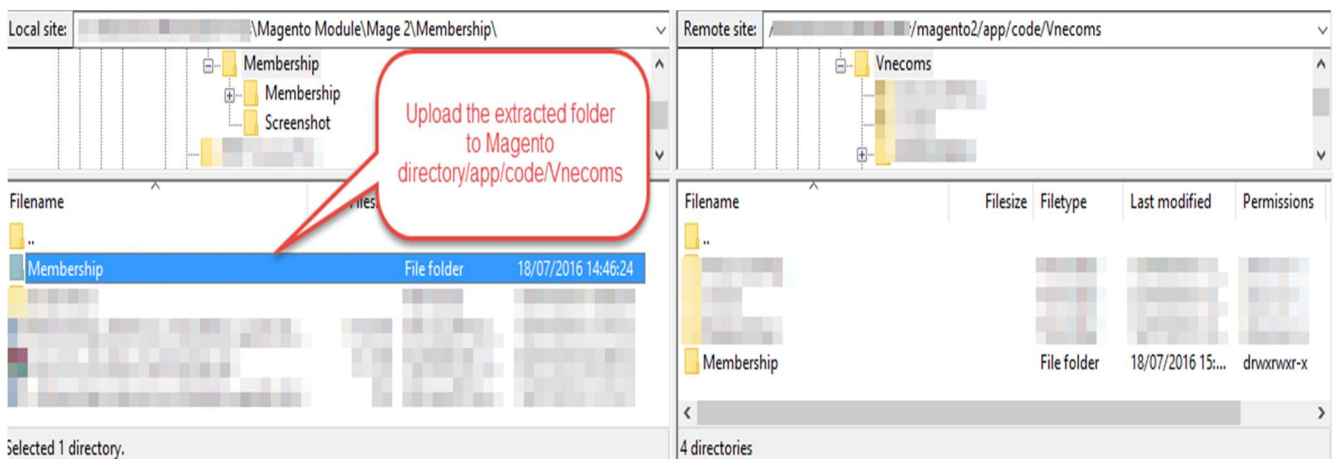

**Step 1:** Download/purchase the Membership extension

 vnecomsmodule-membership.zip	08/07/2016 02:26	WinRAR ZIP archive	89 KB
--	------------------	--------------------	-------

**Step 2:** Unzip the file in a temporary directory

 Membership	18/07/2016 14:46	File folder
--	------------------	-------------

**Step 3:** Upload it to Magento installation root directory /app/code/Vnecomsmodule using a File Transfer Software (Here FileZilla is recommended)

**Step 4:** After the successful installation you have to Enable module Magento 2 Membership Extension -“**php5 bin/magento module:enable Vnecomsmodule\_Membership**”

```
/magento2$ php bin/magento module:enable Vnecomsmodule_Membership
```

**Run this command in Magento 2 root directory**

**Step 5:** Upgrade your magento by the following command -“**php bin/magento setup:upgrade**”

```

:~$ cd magento2
~/magento2$ php bin/magento setup:upgrade

```

Run this command in Magento 2 root directory

**Step 6:** Giving read write permission to your magento 2 directory - “**chmod -R +rw var**”

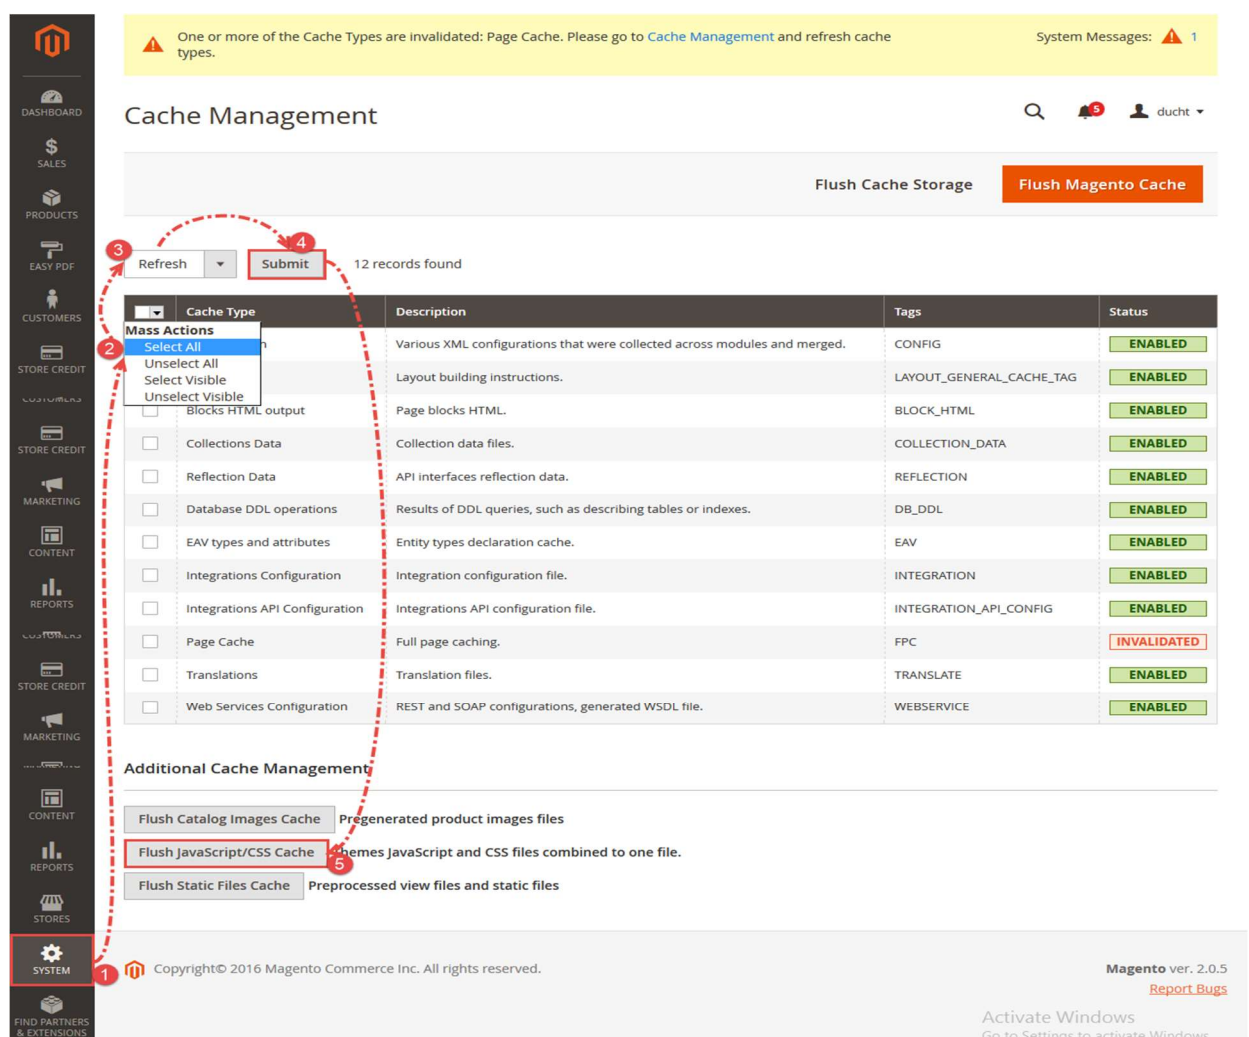

```

:~$ cd magento2
~/magento2$ chmod -R +rw var

```

Run this command in Magento 2 root directory

**Step 7:** After running all the command, you have to log into the admin panel and you have to flush the Magento Cache and Java Script/Css Cache. You can refer to the below screenshot.

One or more of the Cache Types are invalidated: Page Cache. Please go to [Cache Management](#) and refresh cache. System Messages: 1

### Cache Management

Flush Cache Storage Flush Magento Cache
