

Webiators TopScrollBar

How to Install: Download the "Ready to paste" package from your customer's area, unzip it and upload the all files in 'app/code/Webiators/TopScrollBar folder to your Magento install dir.

Update the Database: Move to Magento Root directory with CLI and execute below commands

- php bin/magento setup:upgrade
- php bin/magento setup:di:compile
- php bin/magento setup:static-content:deploy
- php bin/magento cache:flush

How to Use: Go to Store >> Configuration >> Webiators >> Top Scroll Bar

Enable module from General Setting and update configurations as per your needs

The screenshot shows the Magento Configuration interface. On the left is a vertical sidebar with navigation icons for Dashboard, Sales, Catalog, Customers, Marketing, Content, Reports, and Stores. The main content area is titled 'Configuration' and shows the 'Scope' set to 'Default Config'. A 'Save Config' button is in the top right. The 'WEBIATORS' section is expanded, showing 'Top Scroll Bar' as the selected module. Under 'General Settings', the 'Enable Module' dropdown is set to 'Yes'. A red box highlights this dropdown with the text 'Enable Top Scroll Bar Module From Here'. Below this are sections for 'Top Scroll Bar Position Setting' and 'Top Scroll Bar Color Picker Setting'. Red arrows point to the 'WEBIATORS' section, the 'Top Scroll Bar' module, and the 'Enable Module' dropdown.

Select Top Scroll Bar Position as per your choice

The screenshot shows a configuration page for the 'Top Scroll Bar' under the 'WEBIATORS' section. The left sidebar contains a navigation menu with items like DASHBOARD, SALES, CATALOG, CUSTOMERS, MARKETING, CONTENT, REPORTS, STORES, and SYSTEM. The main content area is titled 'General Settings' and includes an 'Enable Module' dropdown set to 'Yes'. Below that is the 'Top Scroll Bar Position Setting' section, where a dropdown menu is set to 'Right'. A red box highlights this dropdown with the text 'Change Position for Top Scroll Bar Icon'. At the bottom, there is a 'Top Scroll Bar Color Picker Setting' section. A 'Save Config' button is located in the top right corner.

Select Top Scroll Bar colors and add font awesome 4 icon class as per your choice

This screenshot shows the configuration page for the 'Top Scroll Bar Color Picker Setting'. The left sidebar is the same as in the previous image. The main content area shows the 'Top Scroll Bar Color Picker Setting' section. It includes a 'Background Color' field with a color picker icon, currently set to 'FFFFFF'. A red box highlights this field with the text 'Select Background Color For Top Scroll Bar'. Below it is the 'Top Scrollbar Icon Class' field, currently set to 'fa-chevron-circle-up'. A red box highlights this field with the text 'Change Icon Of Top Scroll Bar Adding Another Class Of Font Awesome Icon From Font Awesome Library(Version 4)'. A 'Save Config' button is in the top right corner.
