Published On - January 22, 2015

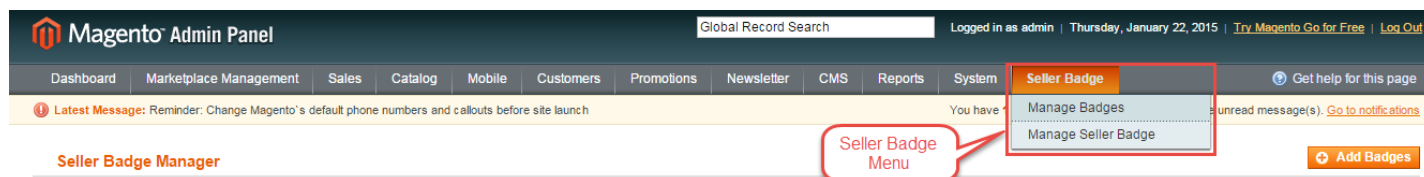

Seller Badge Marketplace Add-On allows the admin to add badges for different sellers according to their performance. This badge will appear at seller profile page so that buyers can know about the performance of the particular seller. Admin can manage the seller badge.

Features

- Allow the admin to add badges for different sellers.
- Admin can add multiple badge.
- Buyer can see badges at seller's profile page.
- Admin can delete or change the status of badges.
- Admin can manage the seller's badge.

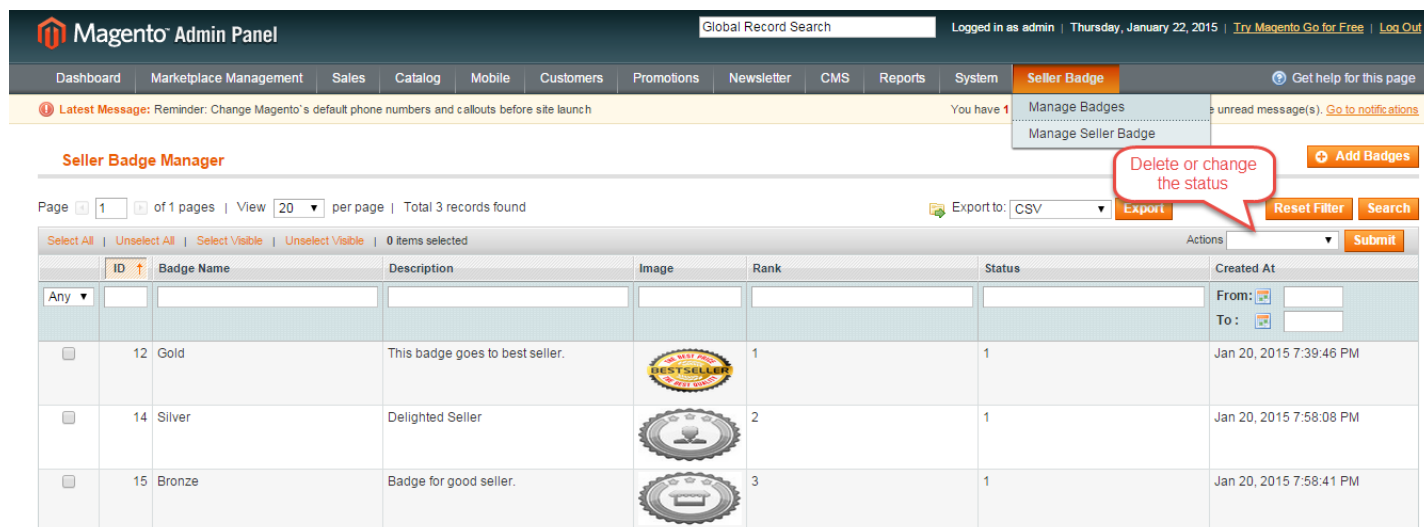

Admin Panel

After the successful installation of this module, admin can find new menu named as Seller Badge in the admin panel.

Manage Badges

Admin can add the badges and also delete and change the existing badge status. Admin can see the list of badges under Manage Badges with Badge name, description, image, rank, and status.

After clicking on Add Badges, below page will be open and from here admin can add badges.
