

# FedEx Shipping Marketplace Add-On V3.0.0

---

**FedEx Shipping Marketplace Add-On** provides the FedEx Shipping method for shipping the product. By using this, you can provide FedEx (Federal Express) shipping.

FedEx is widely acknowledged as a world-class company and now it is with the Marketplace.

**Note – This module is an add-on to the Webkul’s Multi Vendor Marketplace Module. So to use this module, you must have purchased and installed [Multi Vendor Marketplace](#).**

## Features

The admin can enable or disable the FedEx Shipping method.

The owner can allow the sellers to save his/her FedEx credentials.

The merchant can set the FedEx shipping method name that will be shown from the front side.

The admin can define the allowed methods and weight units.

The owner can set packaging type and drop off type.

The merchant can enable residential delivery.

The seller can download & print the FedEx label.

The dealer can add Invoice & Packing slip address, VAT, TAX information.

The seller can enter the tracking ID by which buyer can track their order.

The dynamic shipping method for freight calculation.

Ability to download Invoice and Shipping Slip easily.

Compatible with Marketplace Base Shipping Module.

## Module Configuration

After the successful installation of the FedEx Shipping Marketplace Add-On, you will be able to see the configuration panel. Navigate through **Store-> Configuration ->Sales->Shipping Methods->Webkul Marketplace FedEx shipping.**

The screenshot shows the configuration panel for 'Webkul Marketplace Fedex Shipping'. The interface includes a sidebar with navigation options: DASHBOARD, MARKETPLACE MANAGEMENT, SALES, CATALOG, CUSTOMERS, MARKETING, CONTENT, REPORTS, STORES, and SYSTEM. The main configuration area is titled 'Webkul Marketplace Fedex Shipping' and contains the following fields:

- Enabled for Checkout** [website]: Yes
- Title** [store view]: Marketplace FedEx Shipping
- Account ID** [website]: .....  
Please make sure to use only digits here. No dashes are allowed.
- Meter Number** [website]: .....
- Key** [website]: .....
- Password** [website]: .....
- Sandbox Mode** [website]: Yes  Use system value
- Web-Services URL (Sandbox)** [website]: https://wsbeta.fedex.com:443/web-servi  Use system value
- Packaging** [website]: Your Packaging  Use system value
- Dropoff** [website]: Regular Pickup  Use system value
- Weight Unit** [website]: Pounds  Use system value

A 'Save Config' button is located in the top right corner of the configuration panel.

Here, The Admin Will Enter/Select –

The **FedEx Account Id, Meter Number, Key, Password** for their account at FedEx.

The mode as **Sandbox**(testing) or **Production**(live) mode as required.

The **Packaging** type(a type of packaging typically used to ship products from your store).

**Drop off** typeset dropoff to the pick-up method that will be used for delivery).

The **Weight** unit(Set weight unit to the unit of measurement that is used in your locale).

Select the **Allowed Methods** types.

If **Allow sellers to Save FedEx Details** is “**YES**” then the seller can add FedEx details else select “**NO**”.

**Displayed Error Message** displays the error message when the shipping method is unavailable.

Set **Show Method if not applicable** to “**Yes**” or “**No**” as per your requirement and select the **Debug mode** to “**Yes**”.

Lastly, **save** the configuration by clicking the **save** button.

## How To Get FedEx Credentials?

For login click [here](#) and click [here](#) for creating an account on FedEx to get the required credentials.

## Seller Management & Workflow

If the admin has set **Allow Seller to save FedEx Details** to “Yes” then the sellers can save their FedEx details under **Stores->Configuration->Sales->Webkul Marketplace FedEx Shipping** as shown below in the screenshot.

# Manage FedEx Configuration

The screenshot shows the LUMA seller dashboard. At the top left is the LUMA logo. To the right is a search bar with the text "Search entire store here..." and a magnifying glass icon. Further right is a shopping cart icon with a red notification badge showing the number "1". Below the search bar is a navigation menu with the following items: "What's New", "Women", "Men", "Gear", "Training", and "Sale".

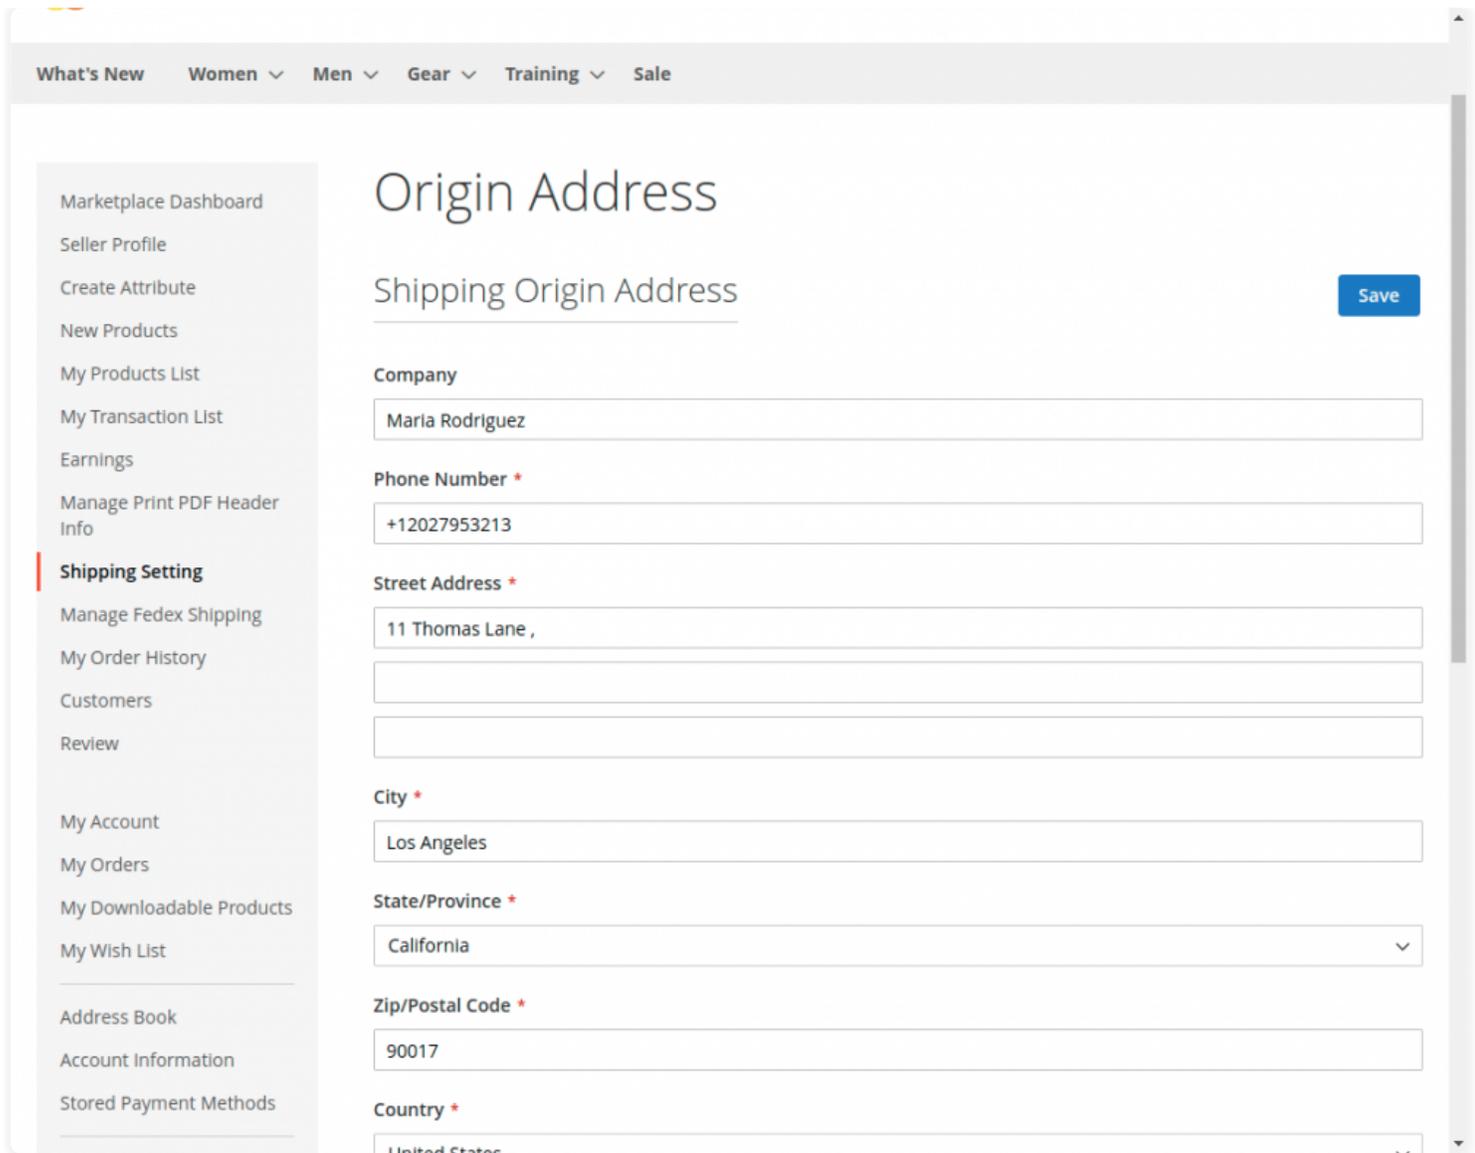

The main content area is titled "Manage Fedex Configuration". On the left side of this area is a sidebar menu with the following items: "Marketplace Dashboard", "Seller Profile", "Create Attribute", "New Products", "My Products List", "My Transaction List", "Earnings", "Manage Print PDF Header Info", "Shipping Setting", "Manage Fedex Shipping" (highlighted with a red vertical bar), "My Order History", "Customers", "Review", "My Account", "My Orders", "My Downloadable Products", "My Wish List", "Address Book", and "Account Information".

The "Manage Fedex Configuration" page contains a form with the following fields and a "Save" button:

- Fedex Configuration** (Section Header)
- Account ID: \*** (Field with 7 asterisks)
- Please make sure to use only digits here. No dashes are allowed.
- Meter Number: \*** (Field with 7 asterisks)
- Key: \*** (Field with 10 asterisks)
- Password: \*** (Field with 15 asterisks)
- Save** (Blue button)

## Shipping Setting

The seller will now add the shipping origin address to his account by navigating to **Shipping Setting** menu option as per the below image

## Manage Print PDF Header Info

The seller can set the Invoice & Shipping address, VAT, TAX information under **Marketplace -> Manage Print PDF Header Info** as shown below in the screenshot.

| Simple Product | Simple Product | <b>\$100.00</b> | Ordered: 1 | \$100.00    | \$20.00          | \$80.00      | \$100.00                    |                 |
|                |                |                 |            |             |                  |              | Subtotal                    | \$100.00        |
|                |                |                 |            |             |                  |              | Shipping & Handling         | \$27.45         |
|                |                |                 |            |             |                  |              | Discount                    | \$0.00          |
|                |                |                 |            |             |                  |              | Total Tax                   | \$0.00          |
|                |                |                 |            |             |                  |              | <b>Total Ordered Amount</b> | <b>\$127.45</b> |

After selecting the checkbox (**Create Shipping Label**) you will proceed to the create package page. And there you have to set the package container dimension for the product that is to be shipped.

Then after filling details of the package then click on the “Add the selected product(S) to package” and add your product and then save it.

### Create Packages ✕

---

**Package 1**

|  |   |        |       |  |
|--|---|--------|-------|--|
| Type                                       | Total Weight  | Length | Width | Height   |
| FedEx Env <input type="button" value="v"/> | 10 <input type="button" value="kg"/> <input type="button" value="v"/> | 15     | 12    | 8 <input type="button" value="cm"/> <input type="button" value="v"/> |

| <input type="checkbox"/> | Product Name | Weight  | Qty Ordered | Qty                            |
|--------------------------|--------------|---------|-------------|--------------------------------|
| <input type="checkbox"/> | Gym T-shirt  | 10.0000 | 1           | <input type="text" value="1"/> |

Once the seller has added selected products to package and saved it, then the shipment has been created then on my order details page he/she will generate an invoice, then the seller will be able to see complete order details as shown below.

| Title                      | Number   |
|----------------------------|----------|
| 2 Day (Fedex)              | 12369854 |
| Marketplace FedEx Shipping | 12369854 |

Sellers can also download the PDF of shipping slips and Invoice under **Marketplace ->My Order History ->View Order-> Shipment**. For more details check the below given the screenshot below:

The screenshot displays a user's account page with a sidebar on the left and a main content area. The sidebar includes links for 'Account Information', 'Stored Payment Methods', 'My Product Reviews', and 'Newsletter Subscriptions'. Below these are sections for 'Compare Products' (with a message 'You have no items to compare.'), 'Recently Ordered' (listing 'Simple Product' with an 'Add to Cart' button and a 'View All' link), and 'My Wish List' (with a message 'You have no items in your wish list.').

The main content area is titled 'Payment & Shipping Method'. It is divided into two columns: 'Payment Information' and 'Shipping and Tracking Information'. The 'Payment Information' section shows 'Check / Money order'. The 'Shipping and Tracking Information' section shows 'Webkul Federal Express - 2 Day' with a 'Track this shipment' link. Below this is a table with the following data:

| Carrier                    | Title                  | Number                   | Action |
|----------------------------|------------------------|--------------------------|--------|
| Custom Value               | 2 Day (Fedex)          | 12369854                 |        |
| Marketplace FedEx Shipping | Webkul Federal Express | <a href="#">12369854</a> |        |

Below the table, there are input fields for 'Custom' (with a dropdown arrow), two empty text boxes, and an 'Add' button.

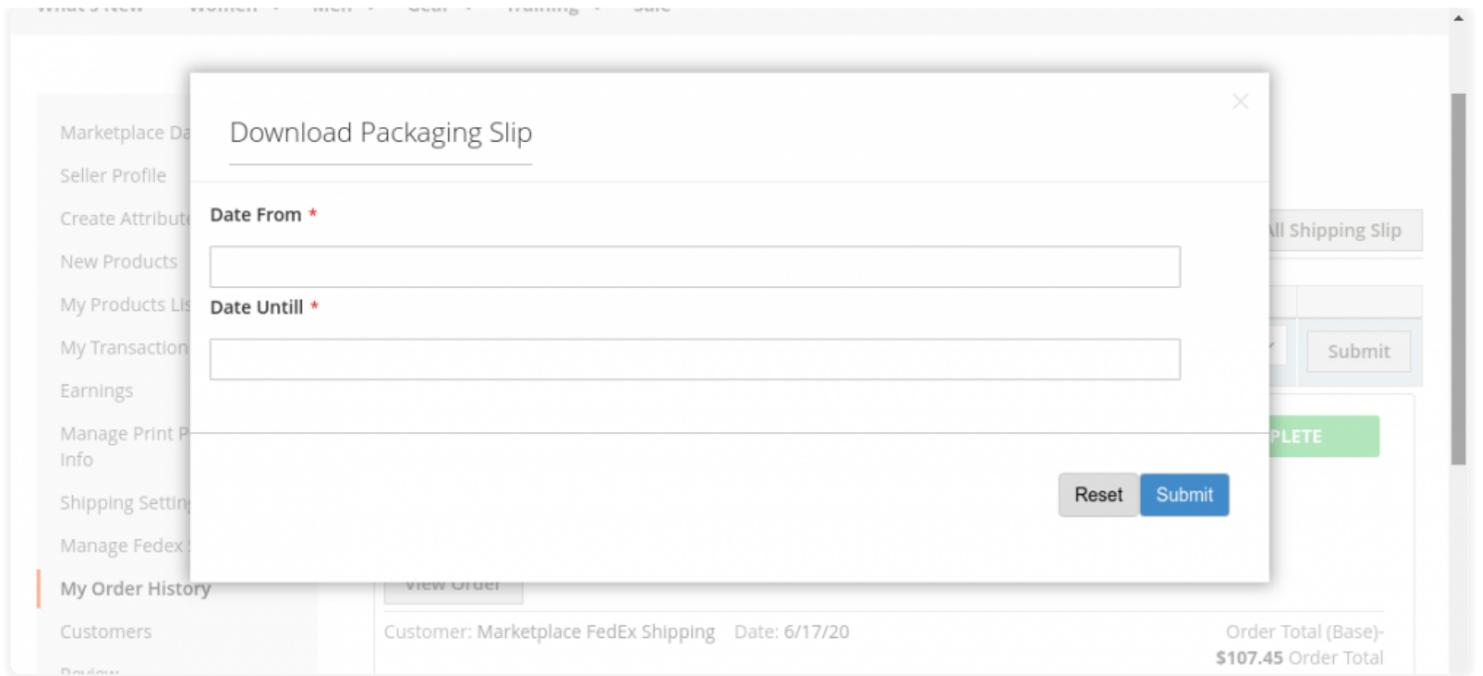

At the bottom of the main content area, there is a section titled 'Items Shipped' with a table containing the following data:

| Product Name   | SKU            | Qty Shipped |
|----------------|----------------|-------------|
| Simple Product | Simple Product | 1           |

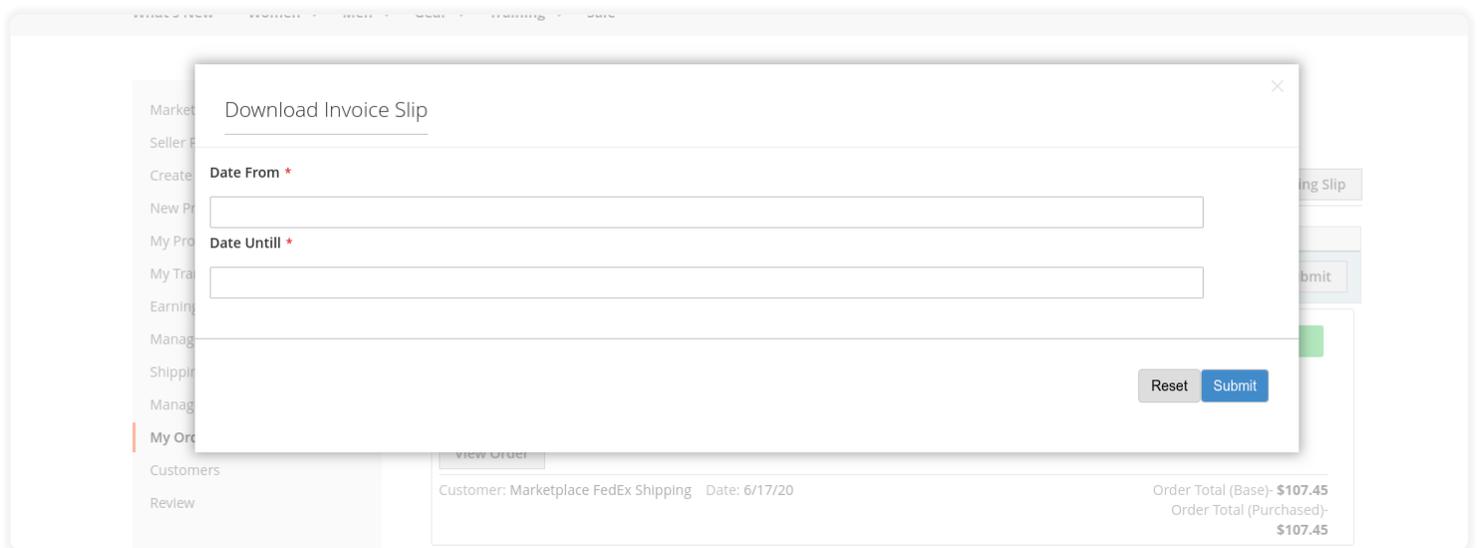

At the bottom left of the main content area, there is a link: « Back To My Orders

After clicking on the Download option, a pop-up window will open up. Here you will enter date until which you want to download shipping and invoice slip.

## Shipping:

## Invoice:

That is all for the **FedEx Shipping Marketplace Add-On**.
