

# Seller Badge Marketplace Add-On V5.0.0

---

## Introduction

**Seller Badge Marketplace Add-On** allows the admin to add badges for different sellers according to their performance. This badge will appear at the seller profile page so that buyers can know about the performance of the particular seller and the admin can manage the seller badge.

**Note: This extension is a marketplace Add-On so, you must purchase and install Webkul's [Multi-Vendor Marketplace](#) extension first.**

## Feature List

The admin can create multiple badges.

The admin can assign multiple badges to multiple sellers.

The buyer can see badges on the seller's profile page.

The admin can delete or change the status of badges.

The admin can manage the seller's badge.

Admin can set the rank of each badge from the admin panel.

The codes are open source and it can be customized as per the requirement.

## Admin Configuration

After the module installation, the admin can enable the seller badges from the back-end.

For that, they need to navigate through **Marketplace > Seller Badge Settings** as per below image:

The admin can see **Seller Badges** menu under the **Marketplace Management** section as per the below image:

## Manage Badge

From here, the admin can **Add New Badge**, **Edit** the existing badges under the **Action** button, and also Delete and change the existing badge Status.

The admin can see the list of badges under Manage Badges with **Badge Name**, **Description**, **Thumbnail image**, **Rank**, and **Status**.

The screenshot shows the 'Manage Badge' interface. On the left is a sidebar with navigation options: DASHBOARD, MARKETPLACE MANAGEMENT, SALES, CATALOG, CUSTOMERS, DEMO MANAGEMENT, MARKETING, CONTENT, REPORTS, and STORES. The main header includes a search icon, a notification bell with '3', and a user profile 'demo'. An orange 'Add New Badge' button is in the top right. Below the header are controls for filters, default view, columns, and export. A table shows 3 records found, with 20 items per page. The table has columns for Thumbnail, Badge Name, Badge Description, Rank, Created, Status, and Action.

| <input type="checkbox"/> | Thumbnail | Badge Name   | Badge Description            | Rank | Created                  | Status | Action               |
|--------------------------|-----------|--------------|------------------------------|------|--------------------------|--------|----------------------|
| <input type="checkbox"/> |           | badge gold   | Description for the Badge 1. | 1    | Sep 11, 2020 12:20:20 PM | Enable | <a href="#">Edit</a> |
| <input type="checkbox"/> |           | badge silver | Description for the Badge 2. | 2    | Sep 11, 2020 12:21:57 PM | Enable | <a href="#">Edit</a> |
| <input type="checkbox"/> |           | bronze badge | Description for the Badge 3. | 3    | Sep 11, 2020 1:15:46 PM  | Enable | <a href="#">Edit</a> |

After clicking on **Add New Badge**, below page will be open and from here the admin can add new badge:

The 'New Badge' form is displayed with a 'Back' button, a 'Reset' button, and a 'Save Badge' button. The form is titled 'Badges Information' and contains the following fields:

- Badge Name \***: Text input with value 'Platinum'
- Badge Description \***: Text area with value 'Platinum Badge' and a green circular icon in the bottom right corner.
- Image \***: File upload button labeled 'Choose file' with the text 'No file chosen'.
- Rank \***: Text input with value '3'
- Status \***: Dropdown menu with 'Enabled' selected.

## Manage Seller Badge

From here, the admin can assign badges to the sellers or remove badges from the seller and also find the seller list with their badges.

For the reference, check the below snapshot:

The screenshot displays the 'Seller Badge Manager' interface. At the top, there is a search bar, a notification bell, and a user profile icon labeled 'demo'. Below this, there are controls for 'Filters', 'Default View', 'Columns', and 'Export'. A summary bar shows '1 records found' and '20 per page'. The main table has the following data:

| Actions                  | Badge(s)  | Seller ID | Seller Name | Seller Email     | Seller Status |
|--------------------------|---|-----------|-------------|------------------|---------------|
| <input type="checkbox"/> | <br><br><br><br> | 2         | John Doe    | johndoe@mail.com | Approved      |

## Seller End
