

UPS Shipping Marketplace Add-On

 webkul.com/blog/magento2-marketplace-ups-shipping/

On - July 28, 2016

UPS Shipping Marketplace Add-On will provide **UPS**(United Parcel Service) shipping method for shipping the seller products. **UPS** is the largest shipment/logistics company in the world and now it is with the Marketplace.

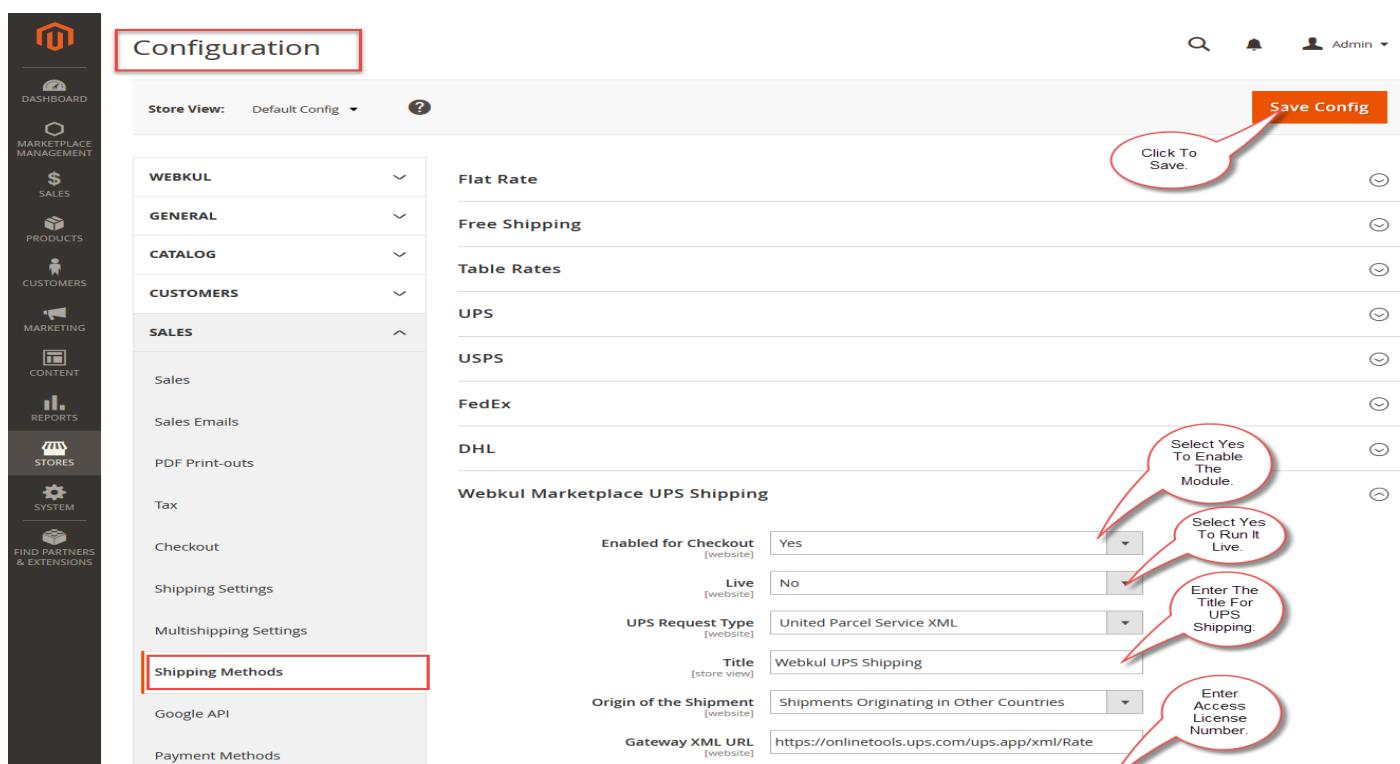

Magento2 Marketplace UPS Shipping module is an add-on of **Magento2 Marketplace Module**. To use this module you must have installed first **Magento2 Marketplace**.

Features Of UPS Shipping Marketplace Add-On

- Admin can set enable or disable Marketplace UPS Shipping method.
- Admin can set the Marketplace UPS shipping method name that will be shown on the frontend.
- Admin can define the allowed methods and pickup methods.
- Admin can set UPS type and destination type.
- Admin can allow sellers to save his/her UPS Credentials.
- UPS shipping rate will be calculated from seller's address.
- Seller can download UPS Shipment Label in PDF format.
- Dynamic shipping method for freight calculation.

Configuration Of UPS Shipping Marketplace Add-On

After the successful installation of the Magento2 Marketplace UPS Shipping module you will be able to see the configuration panel under **Store -> Configuration -> Sales -> Shipping Method ->Webkul Marketplace USP Shipping** as shown below.

The screenshot shows the Magento2 Admin Panel with the 'Configuration' tab selected. The left sidebar has a 'Shipping Methods' section highlighted with a red box. The main content area shows the 'Webkul Marketplace UPS Shipping' configuration. A red box highlights the 'Webkul Marketplace UPS Shipping' section. Red callout bubbles point to specific fields:

- 'Enabled for Checkout' dropdown: 'Yes' (with a note: 'Select Yes To Enable The Module.'), 'No' (with a note: 'Select Yes To Run It Live.')
- 'UPS Request Type' dropdown: 'United Parcel Service XML' (with a note: 'Enter The Title For UPS Shipping.')
- 'Title' input field: 'Webkul UPS Shipping' (with a note: 'Enter Access License Number.')
- 'Origin of the Shipment' dropdown: 'Shipments Originating in Other Countries'
- 'Gateway XML URL' input field: 'https://onlinetools.ups.com/ups.app/xml/Rate'

A red button labeled 'Save Config' is also highlighted.

Bangles X 1
View Order

PENDING

Click to View Order Details.

Customer: John Doe Date: 7/28/16 Order Total- \$104.00

If admin sets the “**Allow Seller to Manage Order**” option “**yes**” then the seller can **manage** the orders from front-end. The seller can generate invoices for their ordered products, generate the tracking number and shipment for the

orders of their products. Even the seller can notify the customers by sending them emails, cancel the order and even print the order.

The screenshot shows the LUMA Marketplace Order Management interface. At the top, there's a navigation bar with 'Welcome, John! John Doe' and 'USD - US Dollar'. Below it is the LUMA logo and a search bar. The main content area has a sidebar on the left with links like 'Clothing', 'Marketplace Dashboard', 'Seller Profile', etc., and a red box highlights 'My Order History'. The main panel shows 'View Order Details' for Order #000000003, which is pending. It includes a timestamp 'Jul 28, 2016, 7:39:16 PM'. A red callout bubble points to the 'Send Email' button in a row of action buttons ('Ship', 'Invoice', 'Send Email', 'Cancel Order', 'Print'). Another red box highlights the 'Items Ordered' section, which lists a single item: Bangles (SKU 1231) at \$130.00, ordered 1 time. The total amount is \$145.82. A red callout bubble points to the 'Shipping Information' section. The 'Order Information' section includes 'Shipping Address' (John Doe, Webkul, 43514 Christy Street, 43514 CHRISTY ST, OFFENBACH, Berlin, 63075, Germany, T: 4578214539), 'Shipping Method' (Webkul UPS Shipping - UPS Standard, with a checked checkbox for 'Generate UPS Label' and dropdowns for 'UPS Standard (UPS)' and 'Tracking Number'), 'Billing Address' (same details as shipping), and 'Payment Method' (Check / Money order). A red callout bubble points to the 'Check This Box To Generate The UPS Label.' link. At the bottom, there's a footer with links like 'Privacy and Cookie Policy', 'Search Terms', 'Contact Us', 'Advanced Search', 'Marketplace', and a newsletter sign-up form with 'Enter your email address' and 'Subscribe' buttons. A copyright notice at the very bottom reads 'Copyright © 2016 Magento. All rights reserved.'

Once the seller generates the **shipment** and **invoice**, the seller will able to see **complete order** details.
