

Product Search Via Image v5.0.0

Introduction

Product Search Via Image extension is actually a majestic feature for eCommerce Store to facilitate the buyers to **search-by-image**.

Advancing the store with the search-by-image feature provides a better **search experience** to the end-users.

Through **machine learning**, the system recognizes the image uploaded by buyers and displays the keywords related to the image by clicking on which the related search results get displayed.

This technique is quite **innovative** feature for bettering the **search activity** of website visitors.

Finding the required searched item is way more easy for the buyers using **Image Search Feature** if configured.

Features

- The admin can enable/disable search by image module.
- The customers can search the product by uploading the image using the search bar.
- The customers can click on the keyword generated by the image upload to search the relevant products.
- Both guests and logged in customers can search the product using the product image.
- Time-saving feature and easy to better the search experience for the buyers.

Module Configuration

After installing the module, you will be able to see the configuration panel under **Stores-> Configuration-> Webkul-> Search By Image** Module and admin can configure General Setting to facilitate the end-user with the better search experience.

Store View: Default Config ? Save Config

WEBKUL ^ **General Settings** ⊖

Search By Image Enable Search By Image Module [global]
If yes, then the search image icon will be visible on search bar

Module Workflow

After the successful installation of the extension, a camera icon gets added to the search bar.

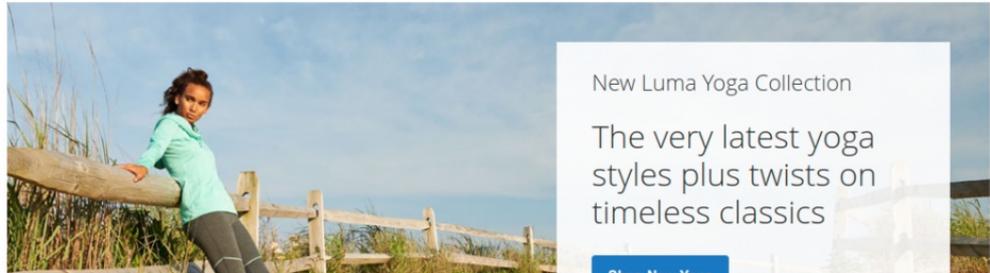

The buyers can upload the desired image to search for the related products by clicking on this icon.

Search entire store here...   

Home > What's New
What's New

- NEW IN WOMEN'S
- Hoodies & Sweatshirts
- Jackets
- Tees
- Bras & Tanks
- Pants
- Shorts

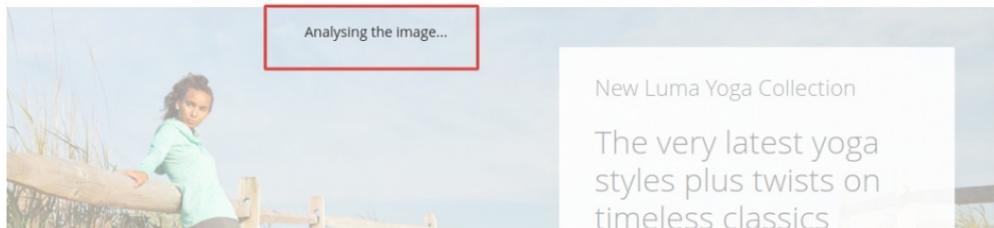

When a buyer uploads an image, it gets detected through machine learning

Search entire store here...   

Home > What's New
What's New

- NEW IN WOMEN'S
- Hoodies & Sweatshirts
- Jackets
- Tees
- Bras & Tanks
- Pants
- Shorts

And then the keywords related to the image get displayed below the image.
