

Multiple Wish Lists V3.0.0

Wishlists are the collections of desired products saved by customers to their user account, signifying their interest without immediate intent to purchase.

Similarly, the Multiple Wish Lists module allows the customers to store or save any particular item in their multiple wishlists which they may buy later by returning to the web store.

This module is very helpful when the customers don't want to buy the product of their choice right at the moment, they can use the multiple wishlists functionality.

This module gives customers an easy way to remind themselves of a product and help the admin to measure product interest of the customers beyond a sale.

Features

- Save the products of interest.
- Allow buying the products later instead of abandoning them.
- The logged can create multiple wishlists.
- Convenient popup to choose a wishlist while adding the product to wishlist.
- Add multiple products to a wishlist.
- Can move all the products of one wishlist to another.
- Add one or all products from wishlist to cart.
- Products can be moved from cart to wishlist.
- Delete the complete wishlist.
- Remove the number of items from the wishlist as per the choice.
- Ability to share wishlist with friends by email.
- Allows viral marketing for the e-commerce store products by sharing wishlist with the other person.
- Support all types of products.
- The admin will get the notifications when any customer adds the products to their wishlists.
- The guest user can also create multiple wishlists.
- The guest users can sync created wishlists with their registered account.

Workflow

After the installation, the customers can easily use the multiple wishlists functionality. The customers can save their desired products in their multiple wishlists to purchase them later.

For this, the customers will navigate to any product and click the blue heart shape icon as per the image.

Add Product

The customer can add as many as products to the multiple wishlists from multiple points in the store.

Product Category Page-

When customers navigate to any product category page and move the cursor over the desired product. The blue heart shape icon becomes visible as per the below image.

Click this blue heart shape icon visible beside the “Add to Cart” button to add the product to the wishlist.

The screenshot shows a product category page with a sidebar on the left containing 'Shopping Options' (PRICE dropdown), 'Compare Products' (with message 'You have no items to compare.'), and 'My Wish List' (with message 'You have no items in your wish list.'). The main content area displays three products: 'MULTI COLOR SHOES' (\$500.00), 'COOL SHOES' (\$800.00), and 'GREEN SHOES' (\$600.00). Each product card includes an 'Add to Cart' button and a blue heart icon. The 'Add to Cart' button for the Multi Color Shoes is highlighted with a red box. Below the products is a pagination section with 'Show 9 per page'.

Product Page-

The customers can add products to the wishlist from the product page also.

The screenshot shows a product page for 'MULTI COLOR SHOES'. At the top, there's a navigation bar with 'Welcome, JOHN! JOHN DOE' and a search bar. Below the navigation is a menu with 'T-SHIRTS', 'JEANS', and 'SHOES' (the last one is underlined). The breadcrumb navigation shows 'Home > SHOES > MULTI COLOR SHOES'. The main content features a large image of the shoes on grass, the product title 'MULTI COLOR SHOES', a 'Be the first to review this product' link, the price '\$500.00', and a 'IN STOCK' status with SKU '#: MULTI COLOR SHOES'. Below the price is a 'Qty' input field set to '1' and an 'Add to Cart' button. At the bottom of the product card, there are links for 'ADD TO WISHLIST' (with a red box around it), 'ADD TO COMPARE', and 'EMAIL'.

Shopping Cart-

The customers can add products to the wishlist from the shopping cart page as well.

The screenshot shows the LUMA Shopping Cart page. At the top, there's a navigation bar with links for T-SHIRTS, JEANS, and SHOES. Below the navigation is a search bar and a shopping cart icon. The main content area is titled "Shopping Cart". It displays a single item: "MULTI COLOR SHOES" with a price of \$500.00 and a quantity of 1, resulting in a subtotal of \$500.00. To the left of the product details is a small image of the shoes. Below the product details are two buttons: "Move to Wishlist" (highlighted with a red box) and "Update Shopping Cart". On the right side, there's a "Summary" section with a "Proceed to Checkout" button and a link to "Check Out with Multiple Addresses".

Compare Products Page-

The customers can add products to the wishlist from the Compare Products page also.

Compare Products

The screenshot shows the Compare Products page. It features three products listed side-by-side: "Desiree Fitness Tee", "Gwyn Endurance Tee", and "Juliana Short-Sleeve Tee". Each product card includes a small image of a woman wearing the shirt, the product name, a star rating, the price (e.g., "As low as \$84.00"), an "Add to Cart" button, and a heart-shaped "Wishlist" button (highlighted with a red box). Below the product cards is a table with columns for SKU and Description. The SKU column lists WS05, WS01, and WS07. The Description column provides a brief overview of each shirt's features and benefits.

SKU	Description
WS05	When you're too far to turn back, thank yourself for choosing the Desiree Fitness Tee. Its ultra-lightweight, ultra-breathable fabric wicks sweat away from your body and helps keeps you cool for the distance.
WS01	When the miles add up, comfort is crucial. The short-sleeve Gwyn Endurance Tee is designed with an ultra-lightweight blend of breathable fabrics to help you tackle your training. Female-specific seams and a sporty
WS07	The Juliana Short-Sleeve Tee gives you more than sporty style. Consider that its soft Cocona® polyester fabric accelerates evaporation to help keep you dry and comfortable, too. And a selection of colors

Multiple Wish Lists

Multiple Wish Lists Extension module allows the customers to create multiple wishlists as per their choice. When a new product is added to the wishlist, the customers can select if an existing wishlist should be used or a new one created.

For creating a new wishlist, the customers simply enter the wishlist name in the blank field. Proceed further by clicking on **Add Wishlist** button and then the **Save** button.

Manage Wishlists

When the wishlist section is opened, all the wishlist are organized in particularly defined panels as per the below image. Customers can easily switch between them.

The Multiple Wishlists Extension module offers various functionalities like – Update, Move, Share, Add and Delete.

Note: In this module, all the wishlist functionalities except “Delete” gets disabled if the wishlist is empty.

Move All to Wishlist

This feature moves all the wishlist items to another wishlist. When the customer clicks on the **Move All to Wishlist** button will get a pop-up display with the list of the wishlists as per the image.

The customer can select any existing wishlist from the list to move all the products to that wishlist.

Also, the customer can create the new wishlist and move all the products to that new wishlist. For creating a new wishlist, the customers simply enter the wishlist name in the blank field.

Proceed further by clicking on **Add Wishlist** button. The new wishlist gets added to the existing list as per the image.

The customer will then select the created wishlist from the list and click on the **Save** button.

Share Wishlist

This feature allows customers to send email to their friends or relatives with the product details. This allows viral marketing for the E-commerce website as another person gets to know about your E-commerce website and products.

When the customer clicks on the **Share Wishlist** button will be redirected to the "wishlist sharing" page as per the image.

The customer can add comments and update the quantity.

The customer can see another functionality “Update Wishlist” along with the other functionality. This will allow updating the wishlist like – the customer can add comments in the comment section and also update the product quantity.

Note: Instead of moving all the items from the wishlist to the cart or deleting the complete wishlist at once, the customer can move/delete individual items one by one from multiple wishlists as per the choice.

The customers navigate to “Manage Wishlist” page and move the cursor over the desired product. The “Add to Cart” and “Remove item” option becomes visible as per the below image.

The screenshot shows a user interface for managing wishlists. On the left, there's a sidebar with links like Newsletter Subscriptions, Stored Payment Methods, My Product Reviews, Billing Agreements, Blog, **Manage Wishlist** (which is highlighted with a red box), and My Quotes. The main area is titled "Electronics" and shows three items: a laptop (purple screen), a chair, and another laptop (blue screen). At the top right are buttons for Move All to Wishlist, Share Wish List, Add All to Cart, and Delete Wishlist. Below the items, there's a section for comparing products, which says "You have no items to compare." Further down, there's a "Recently Ordered" section with a link to "Latest Black-Gray Stilettos" and buttons for "Add to Cart" and "View All". A detailed product card for a "Laptop ci5/4th gen/1TB/8GB" is shown with a price of \$495.00, a quantity selector set to 1, and an "Add to Cart" button. This card also includes options for "Comment", "Qty", "Edit", "Update Item", and "Remove item". The entire "Add to Cart" button area is also highlighted with a red box.

Click the-

- “Add to Cart” option for moving that item to the other wishlist.
- “Remove item” option for removing that item from the wishlist.

The guest users also can add the products to multiple wishlists and view those wishlists by clicking on ” **View Guest wishlist** ” as shown below image.

Here, the admin will click on the **Wishlist** tab under the Customer Information section and can:

- View all the wishlist items of the customer and their details.
- Delete the wishlist items of the customer by clicking on the **Delete** button.
- Place the order by clicking on the **Create Order** tab in the top menu section.

Place Order

For placing the order on the behalf of a customer, the admin will click on the **Create Order** tab in the top menu section as per the below image.

The screenshot shows the 'Customer Information' page. At the top, there are several buttons: 'Back', 'Delete Customer', 'Reset', 'Create Order' (which is highlighted with a red box), 'Reset Password', 'Force Sign-In', 'Save and Continue Edit', and 'Save Customer'. Below these buttons is a search bar with 'Search' and 'Reset Filter' options, and a message indicating '2 records found'. There are dropdown menus for 'per page' (set to 20) and 'of 1'. To the right of the search bar are navigation arrows. On the left side of the main content area, there is a sidebar with links: 'Customer View', 'Account Information', 'Addresses', 'Orders', 'Billing Agreements', 'Newsletter', 'Product Reviews', and 'Wish List' (which is also highlighted with a red box). The main content area displays a table of products ordered, with columns for Product Name, User Description, Quantity, Add Locale, Add Date, Days in Wish List, and Action. Two items are listed: 'Laptop i5/4th gen/1TB/8GB' and 'Latest Black-Gray Stilettos'.

This will navigate the admin to the **Create New Order** page as per the below image.

The screenshot shows the 'Create New Order' page. At the top, there are 'Cancel' and 'Submit Order' buttons. The main form is divided into several sections: 'Order Currency' (set to 'US Dollar'), 'Items Ordered' (which shows 'No ordered items'), 'Customer's Activities' (with a 'Shopping Cart (1)' section highlighted with a red box), 'Account Information' (with fields for 'Group' (set to 'General') and 'Email' (set to 'john_doe@webkul.com')), 'Address Information' (with tabs for 'Billing Address' and 'Shipping Address'), and 'Shipping Address' (with a 'Same As Billing Address' checkbox checked). A callout bubble points from the 'Customer's Activities' section to the text 'The admin can view the cart items.' Another callout bubble points from the 'Wish List (2)' section in the 'Customer's Activities' sidebar to the text 'From here the admin will add the wishlists items to the cart.' The sidebar also includes sections for 'Last Ordered Items (5)' and 'Awesome Stilettos'.

The screenshot shows a user interface for managing a shopping cart and placing an order. On the left, there's a sidebar with sections for 'Products in Comparison List' (containing 'Test Product' and 'Awesome Stilettos') and 'Recently Viewed Products' (containing 'White Shirt', 'Awesome Stilettos', 'Latest Black-Gray Stilettos', and 'Laptop ci5/4th'). Below these are two buttons: 'Update Changes' (highlighted with a red box and arrow) and 'Payment & Shipping Information' (also highlighted with a red box and arrow). The main content area contains fields for shipping and payment information, such as 'Company', 'Street Address', 'City', 'Country', 'State/Province', 'Zip/Postal Code', 'Phone Number', 'Fax', 'VAT number', and checkboxes for 'Save in address book' and 'Validate VAT Number'. To the right, there's a summary of the order total, order history, order comments, and a 'Submit Order' button.

After adding wishlist items to the cart, click on this button.

After clicking on "Update Changes", select the payment mode and shipping method.

Order Total							
Order History	Order Totals						
Order Comments <div style="border: 1px solid #ccc; height: 40px; margin-top: 5px;"></div>							
Payment Method No Payment Information Required							
Shipping Method Get shipping methods and rates							
Order Total <table border="1" style="width: 100%; border-collapse: collapse;"> <tr> <td style="width: 70%;">Subtotal</td> <td style="width: 30%;">\$0.00</td> </tr> <tr> <td>Shipping & Handling</td> <td>\$0.00</td> </tr> <tr> <td>Grand Total</td> <td>\$0.00</td> </tr> </table> <div style="margin-top: 10px;"> <input checked="" type="checkbox"/> Append Comments <input checked="" type="checkbox"/> Email Order Confirmation </div>		Subtotal	\$0.00	Shipping & Handling	\$0.00	Grand Total	\$0.00
Subtotal	\$0.00						
Shipping & Handling	\$0.00						
Grand Total	\$0.00						
Submit Order							

Here, the admin can select the wishlist items and add them to the cart. And, then click on the **Update Changes** button.

After updating changes, the admin will provide the payment mode and shipping method under the **Payment & Shipping Information** section. And then, place the order by clicking on the **Submit Order** button.

The customer also can view the details of the order created by the admin. Under **My Orders** section, the customers can view the order in their customer account panel as per the below image.

The screenshot shows a customer account interface. At the top, there is a navigation bar with links: Clothing, Footwear, Electronics, Decors, Furniture, and Bookings. Below this is a sidebar with links: Account Dashboard, Account Information, Address Book, My Downloadable Products, **My Orders** (which is highlighted with a red border), Newsletter Subscriptions, Stored Payment Methods, My Product Reviews, Billing Agreements, Subscribe For Blogs, Manage Wishlist, and My Quotes. The main content area is titled "My Orders". It displays a table with one item. The table has columns: Order #, Date, Ship To, Order Total, and Status. The data in the table is: Order # 00000046, Date 10/11/17, Ship To John Doe, Order Total \$105.00, and Status Pending. There is also a link "View Order | Reorder" next to the status. Below the table, it says "1 Item".

Order #	Date	Ship To	Order Total	Status
00000046	10/11/17	John Doe	\$105.00	Pending

The customer can click on the **View Order** link to view the complete order details.

That's all for the Multiple Wish Lists module. Still, have any issue feel free to add a ticket and let us know your views to make the module better <http://webkul.uvdesk.com/>
