

# Login to See Price extension installation instructions and user manual

Please follow these steps to complete the installation:

1. Unpack extension archive into directory

<Magento2 Root>\app\code\Wilson\

2. Run the following commands in terminal:

```
bin/magento setup:upgrade
```

3. To adjust the words, go to Configuration -> Sales -> General -> Login to See Price Prompt. It can be set for individual store.

## Configuration

The screenshot shows the Magento 2 Configuration interface. At the top, it says 'Store View: Default Config'. On the left, there is a navigation menu with categories: GENERAL, CATALOG, CUSTOMERS, SALES, and Sales. The 'SALES' category is expanded, and the 'General' sub-section is highlighted. In the main content area, the 'Login to See Price Prompt' setting is visible, with a text input field containing 'Log to See Price'. Below this, there are sections for 'Checkout Totals Sort Order' and 'Reorder'.
