

# Repeat Customer Notifications Extension For Magento 2 By Xpeed Infotech

## Installation Process:

To install the extension follow the instructions below:

- 1) Backup your web directory and store database
- 2) Download Repeat Customer Notifications extension package
- 3) In your Magento 2 root directory create (if not exist) folder app/code/
- 4) Copy files and folders from archive (Plugin Files) to that folder
- 5) In command line, using "cd", navigate to your Magento 2 root directory
- 6) Run commands:
  - a) `php -f bin/magento setup:upgrade`
  - b) `php -f bin/magento setup:static-content:deploy`
- 7) Flush store cache and log out from the backend and log in again to see changes.
- 8) Repeat Customer Notifications is now installed and ready for work.
